REQUEST FOR CORRECTION OF FILING RECEIPT

Sir:

Applicants request issuance of a corrected official filing receipt for the above-identified patent application.

As issued, the filing receipt incorrectly lists the title of the application as "Methods for Separating Particulate Substrates from Solution While Minimizing Particles Loss", which contains an incorrect plural form of the word "Particle". Accordingly, the correct title of the invention is "Methods for Separating Particulate Substrates from Solution While Minimizing Particle Loss".

Correction of the title and issuance of a corrected Filing Receipt bearing the correct title of the invention, as indicated above, are respectfully requested.

Respectfully submitted,

Thomas R. Berka, Reg. No. 39,606
